## Oh! The Blood of Jesus

A

Church  
for the  
entire  
family!

During this month there will be many celebrations and rituals of darkness. Although blood sacrifices are often used during these satanic rituals, *only the blood of Jesus has the power to overcome the wickedness of the world.*

During this season, the kingdom of God celebrates and commemorates with one of its high feasts, The Feast of Tabernacles. This feast allows Christians the opportunity to remember their translation from the kingdom of darkness into the kingdom of light. What can wash away my sin? What can make me whole again? Nothing, but the blood of Jesus! The powerful words to this familiar song echo an age old truth foundational to the Christian faith. Old Testament scriptures are filled with the stiff requirements of the law. They are laden with blood sacrifices which varied according to the sin which was committed. Many animals were killed and their blood offered during ceremonies of penitence by the priests of that day. Thank God for a new and better covenant! John 1:29 states, "Behold the Lamb of God who takes away the sins of the world"! Jesus, humbled himself as a final sacrifice for the sins of mankind. Jesus, the precious Lamb of God fulfilled the requirement and paid the price of our sins with His divine and untainted blood. All that we need is contained within the blood of Jesus; forgiveness, salvation, healing, protection, provision and

the list goes on. As Jesus gave His life for us, even while we were yet sinners (Romans 5:8), He became the propitiation for our sin and ransomed us back to an opportunity of salvation. The bible also states in Is. 53:5 by His stripes we are healed. As the stripes upon Jesus' back were being made again it was the blood of Jesus, which ran freely purchasing our healing. On a day to day basis, Jesus stands as our advocate and mediator. I John 5:8 states, "These three bare record in the earth; the Spirit, the water, and the blood. As the accuser of the brethren comes forth with railing accusations, or even guilty sins, Jesus represents us before the Father through intercession. He then calls upon one of His star witnesses, you guessed it right, "the Blood". The blood of Jesus testifies of His suffering, death and resurrection for our forgiveness. As it relates to our provision, again, it is the blood crying out for better things for the saints as a result of this new and better covenant through Jesus. As we live in a time with the fascination of vampires, and the dark side of spiritual wickedness associated in the month of October be assured, only the blood of Jesus has the power needed to overcome works of the evil one!! With the understanding of the power in the blood of Jesus, we can all join in the chorus in agreement shouting, O' precious is the flow that makes me white as snow. No other fount I know, *nothing but the BLOOD OF JESUS!*"
