Our Confession

DEC. 2016

We are a family church, a bible teaching center, teaching quality word, making quality disciples, producing quality fruit, a ministry that is reaching the world and this city for the Lord, AMEN!

By Biblical standards any region, that goes 30 days without a break through, is considered to be in a drought. The earth, similarly to a woman's body, should replenish itself after every 30 day cycle. Lately our region has been in a drought of unprecedented proportions.

Psalms 81:3 states, *Blow up the trumpet in the new moon, in the time appointed, on our solemn feast day.*

Every 30 days or new moon at the appointed time something new should be released on the earth. A drought of more than thirty days is an unnatural occurrence not of God. Therefore at the very least, as the rains should be released to replenish the earth every thirty days, jobs, contracts, and breakthroughs of every kind should be released in your life.

In this season of drought, we refuse to say No to the promises of God but we deliver a resounding Yes. By the authority of God for the remainder of this year we declared last month no longer No-venber but Yes-venber. Additionally, we continue our Yes to God this month by saying Yes-cember instead of December.

In these last two months we inhabit the anointing of Joshua and Caleb in Yes-venber and Yes-cember.

Ten spies came back to Moses with an evil report, only leaving Joshua and Caleb saying Yes to the promises of God. Like those faithless spies, the first ten months of 2016 may not have come back with good reports to some of you. However we decree that the glory of Yes-venber and Yes-cember will be greater than that of the latter months. That is why we declare them both as YES.

In times of a drought we don't need pretenders we need the real gifts of God. Proverbs 25:14 states, *Who so boasteth himself of a false gift is like clouds and wind without rain.*

We have had enough situations this year with clouds that produce no rain or potential gifts and didn't deliver its promised portion.

As stated in Hebrews 12:1 *seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us; we have enough clouds of witness in this body that we should be able to look unto each other and the rivers of living waters within, to replenish every drought in our vicinity.*

We have two more months in this year of **Signs, Wonders, and Recovery** to recover everything we have lost!
