MISSION STATEMENT

NOV. 2019

We are a family church, a bible teaching center, teaching quality word, making quality disciples, producing quality fruit, a ministry that is reaching the world and this city for the Lord, AMEN!

Give Thanks!

Praise the Lord, MTC! It is a good thing to give thanks unto the Lord, and to sing praises unto his name, the Lord God Most High!

November is known for the time of year that we give thanks to God for his love, compassion, and faithfulness towards us all. We give thanks with a grateful heart for the visitation of the Lord in this year of 2019.

In a recent service, Pastor Don Thompson gave an eye-opening message on the footprints of the glory of God. In the teaching, the Father gave clear instructions on our purpose, identification, transfiguration, and glorification for life in Christ Jesus. We have all been given God's love and grace. At our entrance into the earth realm, we are given a measure of glory, and the meaning of glory is to do the thing that you were created to do. Hallelujah!

Psalms 119:105 is the foundation for our lives in walking out the glory of God. The word of God is a lamp unto our feet and a light unto our pathways. The question has been why has God considered man. The answer is that we have been created in the image of God and after His likeness to manifest his glory, his love, and his power unto salvation to everyone that will believe in his Son, Jesus Christ. Jesus saves to the utmost!

The identification starts at birth, then, matriculates into adulthood. After this identification, then comes transfiguration or transformation.

The third part of this purpose-driven life is glorification. To achieve and maintain this posture, we must fall completely in love with God. To effectively accomplish this, we must drench ourselves in Him and that comes with studying, reading, and meditating on the word and will of God. The people that know their God shall and will do exploits. In knowing God, you will be assured that his son, Jesus Christ, is the Way, the Truth, and the Life. The only way to know the Father is to know his son. John 14:6 explains that the anointing of God comes with temptations and tests. These trials are brought to destroy you and your testimony of Jesus Christ. The Bible admonishes us to let nothing separate us from the love of God. We are glorified because of the will of God and the resurrection of his Son, Jesus. For this, we bow her heads in humble submission to live for Jesus all of our days, knowing that the word of God is our life, our way, our everything. To this, we say, To God Be The Glory! Thanks with a grateful heart.
