We are a family church, a bible teaching center, teaching quality word, making quality disciples, producing quality fruit, a ministry that is reaching the world and this city for the Lord, AMEN!

The Generals Are Coming! Holy Convocation 2017: Still fighting the good fight of faith!

I Timothy 6:12 says, Fight the good fight of faith, lay hold on eternal life, whereunto thou art also called, and hast professed a good profession before many witnesses.

We are remaining steadfast in fighting the good fight of faith. We've ended the third quarter on a high note with the annual Laboring For Your Labor Prayer, the 15th annual MTC Workers' Boot Camp, My Father's Business Club Breakfast, and Professional/Co-Workers Day. We ended the third quarter celebrating the Angel of MTC: Pastor Steve & First Lady Deidre Green's 32nd Pastoral Anniversary. God has been good and faithful! We've been running our race with joy and we are in no ways tired!

Pressing forward out of the month that recognizes labor, Pastor Green reminded us that regardless of what we do for a living, our ultimate profession is the profession of faith. As believers, it not only important for us to have faith, but it's of even greater importance that we pair it with our works. James 2:14 - 17 says, "What doth it profit my brethren, though a man say he hath faith, and not works? Can faith save him? If a brother or sister be naked and destitute or daily food, And one of you say unto them, Depart in peace, be ye warmed and filled; notwithstanding ye give them not those things which are needful to the body; what doth it profit?"

Even so faith, if hath not works, is dead, being alone." It's not good enough to just have faith, but we must work it. By working our faith, we show God that we believe His word. By working our faith we bring the word of God to life.

We can shout from the mountain tops what we believe, but, as the scriptures say, what good does it do? The profession of faith is a powerful position. It's a position of pairing our beliefs with our actions and in doing so it has the power to create instant change. It has the power to turn a non believer into a believer. It has the power to restore hope to the hopeless. It has the power to create light in a dark situation. Pastor Green taught us that it's our job to earnestly contend for the faith; we must strive, struggle and fight for it.

We continue fighting the good fight of faith into the fourth quarter of the year and we are all revved up with excitement! October is here and it's time for the Incense Ministerial Alliance annual Holy Convocation, October 12th - 14th. The Generals are coming! There will be a great visitation and impartation from God. Come join us!
