*Acts 2:1 And when the day of Pentecost was **fully** come, they were all with one accord in one place.*

In order to wholly manifest Pentecost, a body must experience the fullness of the Lord's presence. In celebrating Pentecost, Pastor Green and the MTC family fully experienced the Holy Ghost. More than speaking in unknown tongues, Pentecost is about what is fully coming to you. That includes, your full healing, your full blessing, and your full anointing! While hundreds of believers did come to the altar on Pentecost Sunday seeking the fullness of the Spirit including tongues, it was evident the fullness of His power was already present. As the altar was filled with people for the entire service, Pastor Green multi tasked by simultaneously explaining the deeper meaning of Pentecost and letting the Holy Spirit work through his hands as demonstrated by Peter in the book of Acts 10.

Acts 10:44 While Peter yet spake these words, the Holy Ghost fell on all them which heard the word

What we learned was just as Aquila and Priscilla expounded to Apollos in Acts 18 though we may have eloquent speech, and walk mighty in scripture, some may still lack the fullness of the power of God. As Paul told Timothy, Apollos had a form of Godliness but denied the power thereof.

Apollos, like many believers today had fruit but no power. Just as a person can have fruit and no power, there can be a person who has no fruit but have power through the Holy Spirit. Pentecost is a time of obtaining the complete fullness of both fruit and power. Aside from the fullness, this Pentecostal season will be emphasized by the cost in Pentecost

There are 8 Phases of Cost we will see manifested over the next season of our lives:

- *Whole Sale- Owners—John 3:16*
- *Retail- Individual price—Rom 5:23*
- *Mark Up- Law—Rom. 7, Ps. 130*
- *Discount- Grace—Eph. 2:28*
- *Sale- Redeem Time—Eph. 2:8*
- *Clearance- Get rid—Col. 2:15*
- *Auction- Scanned—Deut. 32:14*
- *Outlet- Set Captives—Luke 4:16*

Pentecost and the role of the Holy Spirit in our lives was concealed in the Old Testament through the writings of Moses. However, Holy Spirit is revealed to us in the New Testament Acts of the apostles! Through the New Testament writings and divine outpouring we can now experience the true impact and importance of having the fullness of the Holy Spirit in our lives and daily walk with the Father.
