## Our Confession

July 2016

We are a family church, a bible teaching center, teaching quality word, making quality disciples, producing quality fruit, a ministry that is reaching the world and this city for the lord, AMEN!

## "MTC, church the way it's supposed to be!"

It is July! For MTC that not only means a celebration of our freedom as a nation but also our birth as a ministry! We are celebrating "34 years of More Than Conquering"! 34 years of overcoming tribulation, distress, persecution, famine, nakedness, peril and sword! But Nay in all these things we are More Than Conquerors! What a promise!

For 34 years we have believed that we are a family church: ever growing, multiplying by leaps and bounds. Weddings are continuous. Marriages are abounding. Our babies are having babies!

For 34 years we have been a bible teaching center teaching quality word: Sunday School, Ministers Training, 1st Tuesday Bible studies, The Lion's Den, Arrows Youth Department – every age, every stage learning the word of God.

For 34 years we have been making quality disciples that produce quality fruit: The Incense Ministerial Alliance, Shepherd's House, RESPECT Organization, and Virtue Inc. all have employed disciples and are producing fruit that will not fail.

For 34 years we have been a ministry reaching the world and this city for the Lord: the doors that have been opened within the city, the county and the state; the extension of the gospel across international airways; we continue to march and move onward and upward, the kingdom of God is making forceful advance.

We are continuing to make history as young veterans. More Than Conquerors has longevity yet we are still young and vibrant. As we press forward within the priesthood, the good news will continue to be in a position to spread it as a kingdom of priest and receive it as a priesthood of kings.
