## Pentecost: The Winds of God Are Blowing!

We've been very busy in the first half of 2017 as we have been Living, Moving and Having our being in Him. As we prepare to celebrate our **35th Church Anniversary**, we reflect on the past triumphs, present works, and future progress of More Than Conquerors Faith Church! In the final month of the first half of 2017, we have a few more dimensions of God to experience for we know there's much more work to be done. As we prepare to celebrate Pentecost, we reflect on Evangelism Day to understand the Power of being on one accord.

Pentecost represents the Descent of the Holy Spirit upon the disciples fifty days after the resurrection of Jesus. According to Acts 2:1, "And when the day of Pentecost was fully come, they were all with one accord in one place." On Evangelism Day, MTC experienced pre-Pentecost; as a church family, we were on one accord as we were believing God for a harvest of souls.

There were 5 individuals scheduled to be baptized; as service ensued and the Winds of God blew, another 17 people decided to be baptized bringing the total to 22 during the service. In addition to the many souls that were Saved and Rededicated during service that day, many more names were added to the altar that we're believing God will touch.

As we experienced on Evangelism Day, there's nothing that God can't do through us when we're on one accord and we're expecting a full harvest during Pentecost 2017. It's not by coincidence that Pentecost will fall during the month in which we celebrate our fathers at MTC. During this time of the Holy Spirit descending, the remnants of Pentecost will refresh the men of MTC during their June Up festivities. In preparation for the second half of the year, MTC will need the winds of God to continue blowing as we continue **Reaching the World and this City for the Lord!!!**
