SKIN IN THE GAME

This article is taken from the Mother's Day Message by First Lady Dee Green!

The term **Skin in the Game** is a reference attributed to multibillionaire investment mogul Warren Buffet. In business and financing, the term skin in the game is used to refer to owners or principals having a significant stake in an investment vehicle.

The Bible describes skin as flesh.

2 Corinthians 10:3 "For though we walk in the flesh, we do not war after the flesh."

Romans 7:18 "For I know that in me (that is, in my flesh,) dwelleth no good thing: for to will is present with me; but how to perform that which is good I find not."

In the natural, skin is the largest organ in the body and functions in three ways: Barrier, Regulator, and Sensor. The same can be said for our spiritual walk.

Barrier or protection - our prayer life functions as skin in the spirit realm. We are to build a firewall of prayer and intercession around ourselves and our families. A firewall is a security system constructed to monitor, control, and inhibit incoming traffic based on predetermined rules.

Zechariah 2:5 "For I, saith the LORD, will be unto her a wall of fire round about, and will be the glory in the midst of her."

Regulator- Skin is an organ of regulation. Through praise we have the ability to make the necessary adjustments or to regulate situations.

Ecclesiastes 12:13 (Amplified) "All has been heard; the end of the matter is: Fear God [revere and worship Him, knowing that He is] and keep His commandments, for this is the whole of man [the full, original purpose of his creation, the object of God's providence, the root of character, the foundation of all happiness, the adjustment to all inharmonious circumstances and conditions under the sun] and the whole [duty] for every man."

As Solomon exposed in Ecclesiastes, through praise we can adjust or regulate conditions in the midst of any and all inharmonious circumstances.

Sensor- Skin can send out communication to the brain when danger is near to warn of pain or intense heat. In the spirit realm we have a sixth sense in the Holy Spirit operating in our lives by constantly sending signals to you of pending danger. MTC, do you have skin in the game? Are you invested in your spiritual walk?
